MSc DATA SCIENCE @LMU

Winter Semester 2021/22

October 2021

18 October, 17:30–19:30: Welcome event for our new students

We will welcome the new students to the department and the university.

Venue: Department of Mathematics, Theresienstr. 39, Room B 349 – details will be announced closer to the date.

Note: limited number of participants – registration will be required.

25 October, 18:15-19:45: Data Science meets Data Practice

Dr. Pankaj Gupta, DRIMCo GmbH: "Bootstrap Enterprise Intelligence with Lifelong AI Learning Product: 'Clone-Reuse the Expert' "

Venue will be announced closer to the date.

November 2021

12 November, 09:00–17:00: Focused tutorial

Prof. Dr. Eyke Hüllermeier, LMU Munich & Prof. Dr. Willem Waegeman, Ghent University: „Multi-target prediction"

Focused tutorials: Each semester we invite international researchers in the field of Data Science for focused tutorials. These one-day tutorials comprise a theoretical part and a hands-on session.

Venue: LRZ – details will be announced closer to the event.

January 2022

11 January, 18:15–19:45: Data Science meets Data Practice

Andreas Gillhuber, Alexander Thamm GmbH: "Data Science in Practice"

Venue will be announced closer to the date.

20 January, 16:00: Guided tour LRZ (Prof. Dr. Kranzlmüller)

(only 2020 cohort)

Venue: LRZ – details will be announced closer to the event.

March/April 2022

31 March–1 April: German Data Science Days 2022 (GDSD 2022)

Information will be available on the GDSD website closer to the event.
