Winter Semester 2022/23

October 2022

17 October, 17:30–20:00: Welcome event for our new students

We will welcome the new students to the department and the university.

Venue: Main building, Senatssaal – details will be announced closer to the event.

Note: Registration required.

November 2023

8 November, 18:15-19:45: Data Science meets Data Practice

Dr. Franz Pfister, Digital Helix Group: "Health AI – Clinical Benefits and Patient Outcomes"

Venue will be announced closer to the date.

January 2023

11 January, 09:00–17:00: Focused tutorial

Prof. Dr. Björn Ommer, LMU Munich: "Machine vision and learning"

Focused tutorials: Each semester we invite international researchers in the field of Data Science for focused tutorials. These one-day tutorials comprise a theoretical part and a hands-on session.

Venue: LRZ – details will be announced closer to the event.

19 January, 18:15–19:45: Data Science meets Data Practice

Prof. Stefan Bender, Data Service Center, Bundesbank / University of Mannheim: "The Role of Data Science / Engineering in the Data Production of Bundesbank"

Venue will be announced closer to the date.

March 2023

9–10 March: German Data Science Days 2023 (GDSD 2023)

Information will be available on the GDSD website closer to the event.

Outlook **summer semester 2023**:

The **summer school** will take place on **4-5 May 2023.** Save the date.
