Winter Semester 2023/24

October 2023

16 October, 17:30–20:00: Welcome event for our new students

We will welcome the new students to the department and the university.

Venue: Ludwigstraße 33, Seminarroom 141 – details will be announced closer to the event.

Note: Registration required.

24 October, 18:15-19:45: Data Science meets Data Practice

Denis Lebedev, Nils Wittmann, McKinsey: "**tba**"

A 022 Geschwister-Scholl-Platz 1, Main Building.

January 2024

16 January, 18:15–19:45: Data Science meets Data Practice

Vadim Vlasov, Steadforce: "**Anomaly Detection in Network Data with Graph Machine Learning**"

A 022 Geschwister-Scholl-Platz 1, Main Building.

March 2024

7–8 March: German Data Science Days 2024 (GDSD 2024)

Information will be available on the GDSD website closer to the event.

Focused tutorial:

12 December 09:00-17:00: "Statistical network analysis"

Prof Nial Frial and Riccardo Rastelli, University College Dublin

Focused tutorials: Each semester we invite international researchers in the field of Data Science for focused tutorials. These one-day tutorials comprise a theoretical part and a hands-on session.

Venue: LRZ – details will be announced closer to the event.

Outlook **summer semester 2024**:

The **summer school** will take place on **6-7 June 2024.** Save the date.
