

## MSc Data Science: Attendance sheet for mandatory events

Name: \_\_\_\_\_

### 1. Summer schools

The two-day summer schools take place once a year. You have to attend both summer schools.

1st year	Date	Signature Lecturer
2nd year	Date	Signature Lecturer

### 2. Focused tutorials

There is one focused tutorial per semester.

You are expected to participate in all of them, but at least in three of the four during your program.

1st sem	Date	Signature Lecturer
2nd sem	Date	Signature Lecturer
3rd sem	Date	Signature Lecturer
4th sem	Date	Signature Lecturer

### 3. DataFest (Hackathon)

The DataFest takes place once a year. You have to attend at least one DataFest.

Alternatively, you may sign up for another hackathon (after consultation with the coordinator).

Date	Signature Organizer
